

The
League Tables
of the

East of Scotland League

1923 - 2007

This is another of series of books containing the 'Final Tables' of a given league.

It is not an attempt to be a history of the league, but an attempt to bring the 'league tables' from various sources, into one publication.

Although accuracy has been attempted, it cannot be guaranteed. If you find any inaccuracies I would be pleased to hear from you, with any corrections and/or additions, so they can be incorporated in any future updates.
