

Delirious Love (version with Brian Wilson)

Don't ya know we are taking it serious.
Where are you? Are you in a mysterious shell?
Haven't heard from you, and it really has felt, like the time,
has stood still.
We're telling you.
To the sound of the songs we are hanging on
But it's just not enough so we want you to know
That we're all distraught
And we want to impart this important remark –
We miss you so!

Everybody was feeling a little down.
Everybody was struggling not to frown
But it doesn't make sense to be sad about
Meeting here to engage in delirious love,
(Delirious Love)
Meeting here, celebrating delirious love.
(Delirious Love)

Any word of a tour and we're all shook up
Energized to the point that we're feeling so good.
We'll be moving fast
Buying tickets galore
But still begging for more.
And what a blast!

Coming round to go through a new view of it
Never tired of the show, we're not doing it now.
As we always say, it's a pleasure to see.
It's where we want to be, EVERY DAY.
Every one of us already figured out
What the roll and the rocking was all about
And we now know that we'll never get enough
Cuz it feels so neat – that delirious love.
(Delirious Love)
A remarkable treat – that delirious love.
(Delirious Love)

I can feel it (I can feel it)
I can feel it (I can feel it)
I can feel it (do do doot –bah bah bah dah
do do doot - bah bah bah dah.....
do do doot)

Coming round to go through a new of view of it
Wouldn't tire of the show, we're not doing it now.
As we always say, it's a pleasure to see.
It's where we want to be, EVERY DAY.
Every one of us already figured out
What the roll and the rocking was all about
And we now know that we'll never get enough
Cuz it feels so neat – that delirious love.
(Delirious Love)
A remarkable treat – that delirious love.
(Delirious Love)
Yeah, we're all feeling sweet from delirious love.
(Love)
